

```
public function shouldRun(): bool  
{  
    $master = $this->getUpdater()->getMasterPath()  
    $gitPath = sprintf( format: '%s/.git', $master)  
    return true;  
}
```

Senior Frontend Developer /Prototyper

Brussels

You are an experienced Front End Developer who sees words like responsive HTML5 Interfaces or JavaScript Frameworks not as weird gibberish but as part of your core skills.

You are completely devoted to creating outstanding User Experiences?

You are searching for new challenges for your technical skills in the area of front-end development.

You love working in a dynamic and demanding environment and being part of an amazing team and project.

You are always aware of the impact your work has on the End User, the company and your co-workers.

You would much rather inspire a customer than just satisfying them, and for you good is never quite good enough.

WHAT YOU BRING

Your typical tasks include

- > Prototyping of functional areas of portals (transactional websites, public pages, hybrid mobile apps etc.)
- > Development of clickable prototypes based on CSS3, Java Script (jQuery), PHP and HTML5
- > Explanation of technical concepts to development partners
- > Taking an active part in interdisciplinary discussions with our UX and design teams
- > Close cooperation in larger team
- > Direct interaction with clients and, dependi

What You bring to the team:

- > Profound experience in the field of front-end development
- > Excellent HTML, HTML5, CSS, CSS3 and Javascript knowledge
- > An eye for details and a dedication to design requirements
- > Curiosity and enthusiasm for online and mobile topics
- > Very good knowledge of the English language (written and spoken)
- > Experience working with demanding companies as clients
- > Meaningful references

- > Use of frameworks like PHP and (ideally) Bootstrap
- > Configuration of databases – MySQL
- > Willingness to take responsibility and make decisions
- > Ability to work independently as well as in a team.
- > Practical experience in demanding agile environments

WHAT WE OFFER

- > Amazing customers – the who's who of European businesses
- > Work in a dedicated first-class team
- > Flat hierarchies and close connections within the team
- > Self-determined work and a position where You can make a difference
- > Long-term projects & premium references

WHO WE ARE

Digital Leadership is a crossover of digital strategy consulting, incubator/ accelerator and personnel placement experts based in Munich. Major companies and startups throughout Europe access our resources for the relaunch and ongoing development of their digital channels. With deep interdisciplinary understanding combined with strategy & execution capabilities, Digital Leadership has executed and growth-hacked digital ventures with business cases exceeding €100m. We have a highly experienced staff of experts, and are proud of our knowledge and our unique approach to digital strategy development and innovation.

WHAT COMES NEXT

If you bring all of this with you, and like what we offer, we would really like to talk and find out if we are indeed kindred spirits.

Please send us your CV to jobs@digitalleadership.com, with a description of your past achievements / projects and a reference to this job posting. We'll contact you as soon as we've seen your profile and put you on the shortlist.

We look forward to receiving your application, and to hopefully meeting and discussing things further.
